5. That Recycled Rovers Rescue makes no claims or representations as to the temperament, health, or mental disposition of any animal put up for adoption.

I understand that adopting a pet is a lifelong commitment, sometimes 10 years or more, and I am prepared to care for this pet for the rest of his/her natural life. I understand that a new pet requires ongoing medical, behavioral, training and grooming needs and can and will provide for these needs. I understand that pets may shed, cause allergies, and exhibit unpredictable behavior in new situations. I understand there is a variable adjustment period for my new pet to adapt to his/her new living arrangements. I agree to not give up my adopted pet because I move, get married, have a baby, get a new pet, have not properly trained or socialized my pet, or because my pet got old or developed medical issues.

I hereby release and discharge Recycled Rovers Rescue forever from liability for any injury or damages to any person or property caused in the future by said animal, and from any action, claims, suits, or demands whatsoever that may arise as a result of such injury or damage.
